COUNT EXPANDS IN SOUTH-EAST QUEENSLAND

Count Limited (**Count**) (**ASX:CUP**) equity partner firm 4Front has announced the purchase of the accounting book of MD Yates & Associates (MD Yates), a Brisbane-based accounting firm established in 1996. Consideration for the transaction is \$0.925m.

To ensure a seamless client transition, Mark Yates, Principal and owner at MD Yates, will transition over to 4Front for 1.5 years.

Mr Yates said the transaction would create positive outcomes for the business' people and clients.

"4Front is a professional business that delivers exceptional service to their clients. We are excited about this next chapter and the benefits being in the Count network will bring to our clients in South-East and Western Queensland."

Hugh Humphrey, CEO at Count, said the acquisition continued Count's recent growth momentum. Count currently owns a 57.6% equity stake in 4Front.

"We are always looking at ways to expand our community and that strategic focus includes supporting our Member firms with their growth aspirations. We are delighted to welcome Mark and the team who bring experience, expertise and a like-minded culture to 4Front."
