2.3 Class rights

- (a) Subject to the Corporations Act and the terms of issue of Shares in a particular class, the Company may vary or cancel rights attached to Shares in that class:
 - (i) by a special resolution passed at a meeting of the Shareholders holding Shares in that class; or
 - (ii) with the written consent of Shareholders who are entitled to at least 75% of the votes that may be cast in respect of Shares in that class.
- (b) Clause 9.25 applies to a meeting held pursuant to clause 2.3(a)(i).
- (c) The issue of any new Shares ranking equally, or any conversion of existing securities to Shares ranking equally, with existing Shares is not a variation of the rights conferred on the holders of the existing Shares, unless otherwise provided by the terms of issue of the existing Shares or required by the Applicable Law.
- (d) The issue of any new Shares ranking in priority, or any conversion of existing securities to Shares ranking in priority, to an existing class of preference Shares is a variation of the rights conferred on the holders of the existing preference Shares, unless the issue or conversion is expressly permitted by the terms of the existing preference Shares.

2.4 Alterations of capital

- (a) The Company may by resolution convert Shares from one class to another, subject to the Corporations Act, this Constitution and the terms of issue of a class of Shares.
- (b) The Company may reduce, alter or buy-back its share capital in any manner provided by the Applicable Law. The Board may do anything which is required to give effect to any resolution authorising a reduction, alteration or buy-back of the share capital of the Company, including where a Shareholder becomes entitled to a fraction of a Share on a consolidation or subdivision:
 - (i) making cash payments;
 - (ii) ignoring fractions;
 - (iii) appointing a trustee to deal with any fractions on behalf of Shareholders; and
 - (iv) rounding up each fractional entitlement to the nearest whole Share by capitalising any amount available for capitalisation pursuant to clause

17 even though only some Shareholders participate in the capitalisation.

- (c) If the terms of issue of Shares in a particular class provide for the Company to vary or cancel rights attached to Shares by a procedure specified in the terms of issue then subject to the Corporations Act a variation or cancellation will be effective if that procedure is followed. If the terms of issue provide for the variation or cancellation of rights by the Company, then unless provided otherwise, the procedure for variation or cancellation by the Company is a resolution of the Board.

2.5 Registered holder

- (a) Except as required by law, the ASX Settlement Operating Rules or this Constitution, the Company is not required to recognise any interest in, or right in respect of, a Share except an absolute right of legal ownership of the Shareholder registered as the holder of that Share, regardless of whether the Company has notice of the interest or right.
- (b) The Company is not bound to register more than four (4) persons as the registered holder of a Share.
- (c) If the Company registers two (2) or more persons as the registered holders of a Share, those persons are taken to hold that Share as joint tenants.

2.6 Certificates and statements

- (a) Subject to the Applicable Law, the Company need not issue certificates for Shares if the Board so resolves.
- (b) Subject to the Applicable Law, the Company may issue certificates for Shares, cancel any certificates for Shares, and replace lost or destroyed or defaced certificates for Shares, on the basis and in the form, which the Board resolves.
- (c) If the Company determines to issue certificates for Shares, only the Shareholder whose name appears first in the Register in respect of a Jointly Held Share is entitled to a certificate in respect of that Share and delivery of the certificate to that person is taken to be delivery to all holders of that Share.
- (d) The Company must issue to a Shareholder any statements of the holdings of Shares registered in the Shareholder's name as required by the Applicable Law.

3. Calls

3.1 Making of calls

- (a) Subject to the Applicable Law and the terms of issue of a Share, the Board may resolve to make calls on the registered holders of a Share for any amount unpaid on that Share which is not by the terms of issue of that Share made

payable at fixed times, on any terms and at any times as the Board resolves, including payment by instalments.

- (b) The Company may when it issues Shares make calls payable for one or more Shareholders for different amounts and at different times as the Board resolves.
- (c) Subject to the Listing Rules, the Company may by resolution of the Board revoke or postpone a call or extend the time for payment of a call, at any time prior to the date on which payment of that call is due.

3.2 Time of call

A call is taken to be made at the time of or as specified in the resolution of the Board (including a resolution of a Committee appointed for this purpose) authorising the call is passed.

3.3 Notice of calls

The Company must give notice of a call to the Shareholder upon whom the call is made at least 10 Business Days (or any other period of notice required by the Listing Rules or required by any terms of issue of the relevant Shares) before the due date for payment. The notice must specify the amount of the call, the time or times and place of payment and any other information as the Board resolves and the Listing Rules require.

3.4 Joint Holders' liability

The registered holders of a Jointly Held Share are jointly and severally liable in respect of all payments which are required to be made in respect of that Share.

3.5 Payment of calls

Each Shareholder must pay to the Company the amount of each call in the manner, at the time and at the place specified in the notice of the call.

3.6 Non-receipt of notice

The non-receipt of a notice of any call by, or the accidental omission to give notice of a call to, any Shareholder does not invalidate the call.

3.7 Interest on default

If an amount called in respect of a Share is not paid before or on the day appointed for payment of an amount, the person from whom that amount is due must pay interest on that amount to the time of actual payment at the Prescribed Interest Rate. The Board, in its sole discretion, may waive payment of that interest wholly or in part.

3.8 Fixed instalments

Subject to any notice requirements under the Listing Rules, if the terms of issue of a Share require an amount to be paid in respect of a Share on the date of issue or any other fixed date, then the Shareholder of that Share must pay that amount to the Company at that time and that amount is treated for the purposes of this Constitution as if a call for that amount had been properly made by the Board of which appropriate notice has been given.

3.9 Prepayment of calls

The Company may by resolution of the Board:

- (a) accept from a Shareholder the whole or part of the amount unpaid on a Share even if no part of that amount has been called by the Company;
- (b) authorise payment by the Company of interest on the whole or any part of the amount so accepted, from the date of acceptance to the date on which the amount becomes payable, at any rate agreed between the Board and the Shareholder paying the amount; and
- (c) unless otherwise agreed between the Company and the Shareholder, repay the whole or any part of the amount so accepted at any time.

4. Liens

4.1 Liens on Shares

Unless the terms of issue of a Share provide otherwise, to the fullest extent permitted by law, the Company has a first and paramount lien on a Share, the proceeds of sale of that Share, and all dividends and entitlements determined in respect of that Share, for:

- (a) any amount due and unpaid in respect of that Share which has been called or is payable on a fixed date;
- (b) any amount which remains outstanding under loans made by the Company to acquire that Share under an employee incentive scheme, to the extent permitted by the Corporations Act;
- (c) all amounts that the Company is required by law to pay, and has paid, in respect of that Share; and
- (d) all interest and expenses due and payable to the Company in respect of the unpaid amounts, to the extent permitted by the Listing Rules.

4.2 Lien on loans under employee incentive schemes

The Company also has a first and paramount lien on each Share registered in the name of the Shareholder for all money payable to the Company by the Shareholder under loans made under an employee incentive scheme.

4.3 Lien on distributions

A lien on a Share under clause 4.1 or this clause 4.2 extends to all distributions in respect of that Share, including dividends.

4.4 Exemptions

The Board may, at its sole discretion, at any time exempt a Share wholly or in part from the provisions of clause 4.1 or 4.2.

4.5 Extinguishment of lien

The Company's lien on a Share is extinguished if a transfer of the Share is registered without the Company giving notice of the lien to the transferee.

4.6 Company's right to recover payments

A Shareholder must reimburse the Company on demand in writing for all payments the Company makes to a government or taxation authority in respect of the Shareholder, the death of a Shareholder or the Shareholder's Shares or any distributions on the Shareholder's Shares, including dividends, where the Company is either:

- (a) required by law to make the relevant payment; or
- (b) advised by a lawyer qualified to practice in the jurisdiction of the relevant government or taxing authority that the Company is required by law to make the relevant payment.

The Company is not obliged to advise the Shareholder in advance of its intention to make the payment.

4.7 Reimbursement is a debt due and payable

The obligation of the Shareholder to reimburse the Company is a debt due to the Company as if it were a call on all the Shareholder's Shares, duly made at the time when the written demand for reimbursement is given by the Company to the Shareholder. The provisions of this Constitution relating to non-payment of calls, including payment of interest and sale of the Shareholder's Shares under lien, apply to the debt.

4.8 Sale under lien

Subject to clause 4.9, the Company may sell, in any manner the Board thinks fit, any Share on which the Company has a lien.

4.9 Limitations on sale under lien

A Share on which the Company has a lien may not be sold by the Company unless:

- (a) an amount in respect of which the lien exists is presently payable; and

- (b) the Company has, not less than 14 days before the date of sale, given to the registered holder of the Share or the person entitled to the Share by reason of the death or bankruptcy of the registered holder, a notice in writing setting out, and demanding payment of, the amount which is presently payable in respect of which the lien exists.

4.10 Transfer on sale under lien

For the purpose of giving effect to a sale under clause 4.8, the Company may receive the consideration, if any, given for the Share so sold and may execute a transfer of the Share sold in favour of the purchaser of the Share, or do all such other things as may be necessary or appropriate for it to do to effect the transfer. The purchaser is not bound to see to the application of the purchase money.

4.11 Irregularity or invalidity

The title of the purchaser to the Share is not affected by any irregularity or invalidity in connection with the sale of the Share under clause 4.8.

4.12 Proceeds of sale

The proceeds of a sale under clause 4.8 must be applied by the Company in payment of the amount in respect of which the lien exists as is presently payable, and the residue, if any, must be paid to the person entitled to the Share immediately before the sale.

5. Forfeiture of Shares

5.1 Forfeiture procedure

Subject to the Applicable Law, the Company may by a resolution of the Board forfeit a Share of a Shareholder if:

- (a) that Shareholder does not pay a call or other amount payable in respect of that Share on or before the date for its payment; and
- (b) the Company gives a notice to that Shareholder requiring payment of a notice to the Shareholder requiring payment of the amount of the call or instalment that is unpaid, together with any interest that has accrued and all costs and expenses that may have been incurred by the Company by reason of that non-payment.

5.2 Contents of notice

The notice must state a further day, which is at least 14 days from the date of service of the notice, on or before which the payment required by the notice is to be made and must state that, in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.

5.3 Forfeiture for failure to comply with notice

If a notice under clause 5.1(b) has not been complied with by the date specified in the notice, the Board may, by resolution, forfeit the relevant Shares, at any time before the payment required by the notice has been made.

5.4 Dividends and distributions included in forfeiture

A forfeiture under clause 5.3 includes all dividends and other distributions declared or to be made in respect of the forfeited Shares and not actually paid or distributed before the forfeiture.

5.5 Sale or re-issue of forfeited Shares

Subject to the Corporations Act, a Share forfeited under clause 5.3 may be sold, re-issued or otherwise disposed of to such person and on such terms as the Board deems fit.

5.6 Notice of forfeiture

If any Share is forfeited under clause 5.3, notice of the forfeiture must be given to the Shareholder holding the Share immediately before the forfeiture and an entry of the forfeiture and its date must be made in the Register. Any failure to give notice or enter the forfeiture in the Register does not invalidate the forfeiture.

5.7 Surrender instead of forfeiture

The Board may accept the surrender of any Share which it is entitled to forfeit on any terms it deems fit and any Share so surrendered is taken to be a forfeited Share.

5.8 Cancellation of forfeiture

At any time before a sale, re-issue or disposal of a Share under clause 5.5, the forfeiture of that Share may be cancelled on such terms as the Board deems fit.

5.9 Effect of forfeiture on former holder's liability

A person who's Shares have been forfeited:

- (a) ceases to be a Shareholder in respect of the forfeited Shares; and
- (b) remains liable to pay the Company all money that, at the date of forfeiture, was payable by that person to the Company in respect of the Shares, plus interest at the Prescribed Interest Rate from the date of forfeiture and the reasonable expenses of the sale of the Shares, until the Company receives payment in full of all money (including interest and expenses) so payable in respect of the Shares.

5.10 Evidence of forfeiture

A statement in writing declaring that the person making the statement is a Director or a Secretary, and that a Share in the Company has been forfeited in accordance with this Constitution on the date declared in the statement, is prima facie evidence of the facts in the statement as against all persons claiming to be entitled to the Share.

5.11 Transfer of forfeited Share

The Company may receive the consideration (if any) given for a forfeited Share on any sale, re-issue or disposal of the Share under clause 5.5 and may execute or effect a transfer of the Share in favour of the person to whom the Share is sold, re-issued or disposed.

5.12 Registration of transferee

On the execution of the transfer, the transferee must be registered as the holder of the Share and is not bound to see to the application of any money paid as consideration.

5.13 Irregularity or invalidity

The title of the transferee to the Share is not affected by any irregularity or invalidity in connection with the forfeiture, sale, re-issue or disposal of the Share.

- (b) duly stamped, if required by law;
- (c) delivered to the Company for registration, at the place where the Register is kept, together with the certificate (if any) of the Share to be transferred and any other evidence as the Board may require to prove the title of the transferor to that Share, the right of the transferor to transfer that Share, and the proper execution of the instrument of transfer; and
- (d) accompanied by payment of any applicable fee which the Company is entitled to charge pursuant to clause 6.5.

6.4 Effect of registration of transfer

A person transferring a Share remains the registered holder of that Share until a transfer for that Share has been effected in accordance with the ASX Settlement Operating Rules, or a transfer for that Share has been registered and the transferee is entered in the Register as the holder of that Share.

6.5 Company to register transfer without charge

The Company must not charge a fee for any registrable transfer (including transfer forms, split certificates, renunciations and transfers, issue certificates and transmission receipts and mark or note transfer forms) in relation to a Share in accordance with this Constitution except as permitted by the Applicable Law.

6.6 No disposal of Restricted Securities

A Shareholder must not dispose of Restricted Securities during the escrow period for those securities, except as permitted by the Restriction Agreement, the Listing Rules or the ASX

6.7 Power to refuse registration

The Company may refuse to register a transfer of Shares where the Applicable Law permits the Company to do so and the Board so resolves.

6.8 Refusal to register transfer

If permitted by the Applicable Law and the Board so resolves, the Company may only refuse to register an instrument of transfer of Shares where:

- (a) the transfer is not in registrable form;

- (b) the Company has a lien on any of the Shares transferred;
- (c) the registration of the transfer may breach an Australian law or a court order;
- (d) the registration of the transfer will create a new holding of Shares which at the time the transfer is lodged is less than a marketable parcel;
- (e) the transfer does not comply with the terms of an employee incentive scheme;
or
- (f) the Company is otherwise permitted or required to do so pursuant to the terms of issue of the Shares.

- (e) a disposal (including registering a transfer) of Escrow Securities during the escrow period for those securities, except as permitted by the Escrow Agreement.

6.10 Written notice of holding lock

- (a) If the Board so resolves, the Company may apply, or may ask ASTC to apply, a holding lock (including to prevent a transfer, or to refuse to register a paper-based transfer document) where the Applicable Law permits the Company to do so.
- (b) Failure by the Company to give notice of refusal to register any transfer or of any holding lock as may be required pursuant to the Applicable Law does not invalidate the refusal to register the transfer or the holding lock.

6.11 Company to retain instrument of transfer

The Company must retain every instrument of transfer which is registered for such period as is required by the Applicable Law.

6.12 Return of instrument of transfer

If the Board refuses registration of a transfer, and within 12 months of the giving of notice of the refusal to register, the person who deposited the instrument demands for

it to be returned, the instrument of transfer must be returned to that person unless there has been an allegation of fraud concerning the transfer or the transaction to which it relates.

6.13 Suspension of registration

The Board may suspend registration of transfers of Shares in the Company at the times and for the periods it so determines. The periods of suspension must not exceed 30 days in anyone calendar year. Closure of the Register must be effected in accordance with the Applicable Law.

- (a) Where two (2) or more persons are jointly entitled to any Share as a consequence of the death of the registered holder of that Share, they are taken to be Joint Holders of that Share.

8.4 Calculation of period of notice

In computing the period of notice under clause 8.3, both the day on which the notice is given or taken to be given and the day of the meeting convened by it are to be disregarded.

8.5 Cancellation or postponement of a meeting

8.8 Number of clear days for postponement of meeting

The number of clear days from the giving of a notice postponing the holding of a general meeting to the date specified in that notice for the holding of the postponed meeting must not be less than 14 days.

- (b) the date for holding the meeting is postponed to a date later than the date specified in the instrument of proxy, power of attorney or appointment of Corporate Representative,

then, by force of this clause 8.10, that later date is substituted for and applies to the exclusion of the date specified in the instrument of proxy, power of attorney or appointment of Corporate Representative unless the Shareholder appointing the proxy, attorney or Corporate Representative gives to the Company at its Registered Office notice in writing to the contrary not less than 48 hours before the time to which the holding of the meeting has been postponed.

8.11 Non-receipt of notice

The non-receipt of notice of a general meeting or cancellation or postponement of a general meeting by, or the accidental omission to give notice of a general meeting or cancellation or postponement of a general meeting to, a person entitled to receive notice does not invalidate any resolution passed at the general meeting or at a postponed meeting or the cancellation or postponement of a meeting.

8.12 Director entitled to notice of meeting

A Director is entitled to receive notice of and to attend all general meetings and all separate meetings of the holders of any class of Shares in the capital of the Company and is entitled to speak at those meetings.

The determination must be made and published in accordance with the Corporations Act.

9.2 Reference to a Shareholder

Unless the contrary intention appears, a reference to a Shareholder in this clause 9 means a person who is a Shareholder, or a:

If within 30 minutes after the time appointed for a meeting a quorum is not present, the meeting:

- (a) if convened by a Director, or at the request of Shareholders, is dissolved; and
- (b) in any other case, stands adjourned to the same day in the next week and the same time and place, or to such other day, time and place as the Board advise by notice to the Shareholders and others entitled to notice of the meeting.

9.7 **Appointment of chairman of general meeting**

If the Board has elected one (1) of its number as chairman of their meetings, that person is entitled to preside as chairman at a general meeting.

9.8 **Absence of chairman at general meeting**

- (c) may, having regard where necessary to the Corporations Act, terminate discussion or debate on any matter whenever the chairman considers it necessary or desirable for the proper conduct of the meeting, and a decision by the chairman under this clause is final.

9.10 Adjournment of general meeting

The chairman of a general meeting may at any time during the meeting adjourn the meeting or any business, motion, question, resolution, debate or discussion being considered or remaining to be considered by the meeting either to a later time at the same meeting or to an adjourned meeting at any time and place, but:

- (a) in exercising the discretion to do so, the chairman may, but need not, seek the approval of the Shareholders present in person or by proxy, attorney or Corporate Representative; and

Unless required by the chairman, a vote may not be taken or demanded by the Shareholders present in person or by proxy, attorney or Corporate Representative in respect of any adjournment.

9.11 Notice of adjourned meeting

It is not necessary to give any notice of an adjournment or of the business to be transacted at any adjourned meeting unless a meeting is adjourned for one month or more. In that case, notice of the adjourned meeting must be given as in the case of an original meeting.

9.12 Questions decided by majority

Subject to the requirements of the Corporations Act, a resolution is taken to be carried if a simple majority of the votes cast on the resolution are in favour of it.

9.13 **Casting vote for chairman**

If there is an equality of votes, either on a show of hands or on a poll, the chairman of the meeting is entitled to a casting vote, in addition to any votes to which the chairman is entitled as a Shareholder or proxy or attorney or Corporate Representative.

9.14 **Voting via a Poll**

At any general meeting, a resolution put to the vote of the meeting shall be decided by a poll. Neither the chairman nor the minutes need state, and it is not necessary to prove, the number or proportion of the votes recorded in favour of or against the resolution.

9.15 **Entitlement to vote**

Subject to any rights or restrictions for the time being attached to any class or classes of Shares and to this Constitution:

- (a) on a show of hands, each Shareholder present in person and each other person present as a proxy, attorney or Corporate Representative of a Shareholder has one vote; and
- (b) on a poll, each Shareholder present in person has one (1) vote for each fully paid Share held by the Shareholder and each person present as proxy, attorney or Corporate Representative of a Shareholder has one vote for each fully paid Share held by the Shareholder that the person represents.

$$\frac{A \times B}{C} = D$$

where:

A is the number of those Shares held by the Shareholder;

B is the amount paid on each of those Shares excluding any amount:

- (a) paid or credited as paid in advance of a call; and
- (b) credited as paid on those Shares to the extent that it exceeds the value (ascertained at the time of issue of those Shares) of the consideration received for the issue of those Shares;

16.7 Method of payment of dividends

- (a) The Board may decide the method of payment of any dividends or other amount in respect of a Share. Different methods of payment may apply to different Shareholders or groups of Shareholders. Without limiting any other method of payment which the Company may adopt, payment in respect of a Share may be made:
 - (i) by such electronic or other means approved by the Board directly to an account (of a type approved by the Board) nominated in writing by the Shareholder or the Joint Holders; or
 - (ii) by cheque sent to the address of the Shareholders shown in the Register or, in the case of Joint Holders, to the address shown in the Register of any of the Joint Holders, or to such other address as the Shareholder or any of the Joint Holders in writing direct.

- (b) A cheque sent under clause 16.7(a):
 - (i) may be made payable to the bearer who will be the Shareholder shown in the Register or, in the case of Joint Holders, to either Joint Holder Shareholder in which case payment will be deemed to have been made to the Joint Holder Shareholders in full; and
 - (ii) is sent at the Shareholder's risk.
- (c) If the Board decides that payments will be made by electronic transfer into an account (of a type approved by the Board) nominated by a Shareholder, but no such account is nominated by the Shareholder or an electronic transfer into a nominated account is rejected or refunded, the Company may credit the amount payable to an account of the Company to be held until the Shareholder nominates a valid account.
- (d) Where a Shareholder does not have a registered address or the Company believes that a Shareholder is not known at the Shareholder's registered address, the Company may credit an amount payable in respect of the Shareholder's Shares to an account of the Company to be held until the Shareholder claims the amount payable or nominates an account into which a payment may be made.
- (e) An amount credited to an account under clause 16.7(c) or 16.7(d) is to be treated as having been paid to the Shareholder at the time it is credited to that account. The Company will not be a trustee of the money and no interest will accrue on the money.

16.8 Unclaimed dividends

- (a) If a cheque for an amount payable under clause 16.7(a) is not presented for payment for 11 calendar months after issue or an amount is held in an account under clauses 16.7(c) or 16.7(d) for 11 calendar months, the Board may reinvest the amount, after deducting reasonable expenses, into Shares in the Company on behalf of, and in name of, the Shareholder concerned and may stop payment on the cheque. The shares may be acquired on market or by way of new issue at a price, that the Board accepts is market price at the time. Any residual sum which arises from the reinvestment described in this clause 16.8(a) may be carried forward or donated to charity on behalf of the Shareholder, as the Board decides. The Company's liability to pay the relevant amount is discharged by an application under this clause 16.8.
- (b) The Board may do anything necessary or desirable (including executing any document) on behalf of the Shareholder to effect the application of an amount under this clause 16.8. The Board may:

- (a) establish a share investment plan on terms it decides, under which:

- (a) forming part of the undivided profits of the Company;
- (b) representing profits arising from an ascertained accretion to capital or a revaluation of the assets of the Company;
- (c) arising from the realisation of any assets of the Company; or
- (d) otherwise available for distribution as a dividend.

17.2 **Proportionate distribution of amounts capitalised**

- (a) The Board may resolve that all or any part of the capitalised amount is to be applied:
 - (i) in paying up in full, at an issue price decided by the resolution, any unissued Shares in or other securities of the Company;
 - (ii) in paying up any amounts unpaid on Shares or other securities held by the Shareholders; or
 - (iii) partly as specified in clause 17.2(a)(i) and partly as specified in clause 17.2(a)(ii).

The Shareholder is entitled to share in the distribution will accept that application in full satisfaction of their interest in the capitalised amount.

- (b) Clauses 16.2 and 16.3 apply, so far as they can and with any necessary changes, to capitalising an amount under this clause 17 as if references in those clauses to:
 - (i) a dividend were references to capitalising an amount; and
 - (ii) a record date were references to the date the Board resolves to capitalise the amount under this clause 17.

17.3 **Bonus shares on options**

Where in accordance with the terms and conditions on which options to take up Shares are granted (and being options existing at the date of the passing of the resolution referred to in clause 17.2(a)) a holder of those options will be entitled to an issue of bonus Shares under this clause 17, the Board may in determining the number of unissued Shares to be so issued, allow in an appropriate manner for the future issue of bonus Shares to option holders.

17.4 **Board's ancillary powers regarding distributions**

- (a) To give effect to any resolution to reduce the capital of the Company, to satisfy a dividend as set out in clause 16.5(a) or to capitalise any amount under clause 17, the Board may:
 - (i) settle as it thinks expedient, any difficulty that arises in making the distribution or capitalisation and, in particular, make cash payments in cases where Shareholders are entitled to fractions of Shares or other securities and decide that amounts or fractions of less than a particular value decided by the Board may be disregarded in order to adjust the rights of all parties;
 - (ii) fix the value for distribution of any specific assets;

- (iii) pay cash or issue Shares or other securities to any Shareholder in order to adjust the rights of all parties;

 - (v) authorise any person to make on behalf of all the Shareholders entitled to any specific assets, cash, shares or other securities as a result of the distribution or capitalisation, an agreement with the Company or another person which provides, as appropriate, for the distribution or issue to them of Shares or other securities credited as fully paid up or for payment by the Company on their behalf of the amounts or any part of the amounts remaining unpaid on their existing Shares or other securities by applying their respective proportions of the amount resolved to be distributed or capitalised.
- (b) Any agreement made under an authority referred to in clause 17.4(a)(v) is effective and binds all Shareholders concerned.
 - (c) If a distribution or issue of specific assets, Shares or securities to a particular Shareholder or Shareholders is, in the Board's discretion, considered impracticable or would give rise to parcels of securities which do not constitute a marketable parcel, the Board may make a cash payment to those Shareholders or allocate the assets, Shares or securities to a trustee to be sold on behalf of, and for the benefit of, those Shareholders, instead of making the distribution or issue to those Shareholders.

17.5 Appointment of Company as agent of Shareholder to give effect to distribution

If the Company distributes to Shareholders (either generally or to specific Shareholders) securities in the Company or in another body corporate or trust (whether as a dividend or otherwise and whether or not for value), each of those Shareholders appoints the Company as his or her agent to do anything needed to give effect to that distribution, including agreeing to become a Shareholder of that other body corporate.
